- Soil analysis and custom formulations tailored to your soil...your crops...your weather!
- Also more standard formulas than any other plant food company.
- Every All-Plant product is ecologically enhancing (useful to the soil even after the nutrients have done their work).
- We know local soils and have tested the soils of the major corn growing countries in your state.
- We will "fine tune" the fertilizer we ship to you by testing your soil and improving your fertilizer to do more for your soil. This test is free when your order.
- Beside yourself no one cares more about your soil and your crop than ALL-PLANT™.
